

CARERS FACT SHEET 3a

Services that will come to your home

Pharmacies:

Some pharmacies will deliver medicines and equipment to your home. Examples of pharmacies that will do this are shown below but these are not exhaustive and you should ask at your local Pharmacy. Please note that oxygen deliveries are all provided under contract by Allied Respiratory Freephone 0500 823 773 or visit www.alliedrespiratory.com

You may also be able to obtain prescription medicines from your GP surgery dispensary. Ask at your local surgery.
