#### **The Dial-a-Ride Scheme**

The dial a ride scheme has three vehicles that cover the city for use by people who cannot use public transport.

They provide a wheelchair accessible, door-to-door transport service so that people can maintain their social and community living within the city e.g. shopping, visiting friends, going to the theatre.

Dial a ride cannot be used to provide transport for day centres, hospital or GP appointments.

Friends, relatives and carers may travel with the person using the service.

Fares are from £1.50 to £4 return depending on the length of the journey.

Contact SCA Dial a Ride on 023 8022 2289

#### **Blue Badge Scheme**
