You are invited to an event on:

2. Are the 'promises' made in the LD plan being followed and have they made a difference?
3. How can we make the voice of Family Carers more effective on the Learning Disabilities Partnership Board?
How can you influence change, feedback on current services and influence new ones?

Come and tell us what you think!

Please book a place by contacting;
Tel: 01794 519495 or email:
admin@carerstogether.org.uk

Care and Share Time Bank Hampshire

What is the Time Bank?

It is a way for people to help others in their community and be rewarded for it – in time. For every hour of time you give helping someone, you receive one time credit. Everyone's time is equal! The Time Bank will be starting in the Alton, Hedge End, Totton and Southern Test Valley areas alongside our Rendezvous' (Community Cafes). We hope to expand it to the rest of Hampshire at a later date.

What can you do with your Time Credits?

You can 'spend' your time credits when you need help from someone else. You can give them to another person who needs help or you can save them. No money is involved.

Anyone can join the Time Bank!

Age, ability, lack of finance or limited mobility are not barriers to participating in the time bank. Contact us to discuss ways in which you can get involved.

Carers Missing Out on NI Credits

The Minister for Pensions is calling on all carers to check they are getting what they are entitled to. Nearly 200,000 people with caring responsibilities could receive a boost to their state pension by claiming **Carers Credit**.

Carers Credit is designed for those who are caring for others for 20 hours or more per week but do not qualify for Carer's Allowance.

Your income, savings or investments won't affect eligibility for Carer's Credit.

Signing up for Carer's Credit for a year means a carer could receive **over £200 extra per year** in State Pension when they retire.
